

Health IT

Why Choose Adarsa Services?

Our Health Information Technology (HIT) consultants have vast experience and bring domain expertise to enable efficiencies, reduce costs and help improve healthcare. We partner with and empower healthcare providers and financing programs to provide better preventative care and the ability to diagnose and treat illnesses efficiently and accurately.

- ◆ Health Analytics
- ◆ Electronic Health Records (EHR) Management
- ◆ Electronic Medical Records (EMR)
- ◆ Children's Health Insurance Program (CHIP)
